

Records, Reports, and Oversight Disclaimer

Effective date: November 1, 2025

Purpose

This disclaimer applies to reports, dashboards, reminders, risk ratings, confidence indicators, governance notes, and other outputs generated by GuardRail.

Statement

GuardRail outputs are decision-support records only. They are based on platform data, configuration, user-supplied information, timing of updates, and system rules in effect at the time of generation.

These outputs:

- are not audits,
- are not legal opinions,
- are not certifications,
- are not guarantees of vendor suitability,
- should not be relied on as the sole basis for commercial, legal, or regulatory decisions.

Customers remain responsible for reviewing outputs and making their own decisions.
